Dear Köpcke:

I got your letter sent to Krishna Reddy in Vanves-Seine saying the pictures were being sent right away. I had written you a note telling you to send them to 22 rue de l'université which must have crossed your letter - Yesterday I received a notice from you and your wishes to us for a Merry Christmas and a happy new year - Thank you and the same to you - but I still haven't got the paintings? Please, I beg you, send them as soon as possible - Im very anxious about them and must get them before christmas. Thank you
