My dear friend Køpcke:

I have the pleasure to introduce you a spanish painter, Kaydeda, - one of our best artists - who is very interested to exhibe in your galerie.

It will be very kind of you if you could tell me the date and the seasonfor this exhibition and if you need some fotographies of his painting.

My friend Kaydeda knows from me all about your conditions of the exhibition and will send to you the reference and historial of his works, for the catalogue.

I am waiting for your answer and in the meanwhile I send to you my kind regards.

Your very sincerely
