Dear Sir,

I just received your letter, and wish to inform you that during Mr. Nikolaus's visit in Paris last July we agreed on the project of an exhibition of JEAN CLAUDE BEDARD, scheduled for November the 7th. I even gave Mr. Nikolaus the amount of 15.000 francs on that purpose.

From that time on, I never got any confirmation from you nor any news from Mr. Nikolaus though I wrote him several times, but he never answered me. That made it impossible for me to send you the paintings until now.

Furthermore, it would be necessary to determine with precisions the terms and the date of that exhibition. (Mr. Nikolaus told me that you would pay for the return of the paintings to Paris). I should like to have the price and all the details written before we start.

Hoping for your fastest answer, I am

Very sincerely

I. Salomon
