Gentlemen :

Thank you very much for sending me the announcement for your exposition. Since I was told that the exposition of the group of which I was a member was planned for the 12th of December, I am slightly confused¹. Have you made cards for that exposition? If you have any printed announcements or newspaper reviews of my work, I would appreciate your sending me copies for my file.

I would also like to announce that I have just been awarded the Second Prix Pacquement for 1958 selected at the National Museum of Modern Art. The Museum has been most flattering about my work and is buying one of my canvases. I think that this information should enable you to increase the prices on my work since my prices in Paris have increased considerably. If you can double the price which I gave you originally, you will still be underselling the Paris galleries. I hope this information has not arrived too late to be of use.

My best wishes to you and your gallery for the holidays.

Most cordially yours,

Bohbot

¹ Den planlagte gruppeudstilling blev ikke realiseret, men Bohbot udstillede separat i Galerie Køpcke i perioden 14. marts til 10. april 1959.
