Paris, le 11 avril 1959

Galerie Kopcke

Laederstraede 17

Copenhagen

Dear Sir,

The painter Ghislain UHRY told me about this project of an exhibition in your gallery.

It would surely be very interesting for him, for you and for the Galerie de Seine. But we should like, before giving you an answering, to know which are your conditions to make this exhibition.

So are we waiting for your letter.

With our best wishes

Sincerely yours,

[??????]
