TRANSCRIPTION

The Hague. 7 April 59.

Dear Sir,

Last week I've received a letter from
Lia Grambihler, Paris.

She asked me to make a contact with
your galerie, and mention her name and the
name of the painter Nicolaus.

She thought, that you should be interesting
for my paintings.

So I should like to mke a contact
with you, because maybe it's possible to have
a exhibition or maybe the possibility to buy
some of my paintings.

I can send you some color photographs
of my last paintings.

The most important exhibitions I had in
Holland. in October '58 I had an exhibition
(one man show) in Paris. This spring, mai or juli
I have a group exhibition in Los Angeles
with paintings wich are sold to a gallery in
the U.S.A. The 18th of April I have an other
one man show here in the Hague in the
museum "Hofwyck", and in a while I have
a group exhibition in the Museum of Modern
Art, the Hague.

Last time this museum has bought some
of my last paintings.

I hope to hear soon from you.

Yours sincerely

G Verdyk
