Dear Arthur.

Last week I received your card and I shall send you very soon three oil-paintings for that international exhibition.

SCH 21-59/ 50 x 80 cm 400.= Danish Crowns

SCH 24-58/ 80 x 70 cm 660.= " "

SCH 26-59/ 100 x 50 cm 550.= " "

When I send them I give other prices on the papers for the costumes.

Now I should like to ask you some questions. Can you write me as soon as possible the date when that exhibition with my paintings starts? I should like to know it because at the end of October, November they are going to printed a kind of book from me and 4 other painters. and when the exhibition starts before the date that book appears I can give it up to them and so they will printed it

In that book are coming 10 reproductions from my paintings. one of them is the painting SCH 24-58 wich I gonna send you, so I shall give a note that it is in your galery. I think that it is also good for your galery because they're going to send those books all over the world to galery's museums and collectioners.

I hope you write me very soon something about that international exhibition with some particularity's, some names from others.

I hope to hear very soon from you
and I send you my best wishes.

Yours truly
Ger[?]

P.S. I've send the paintings as a present for the
customes with a value from 200 Danish Crowns. So maybe
you've to pay some for the customes but
it cannot be much. and you can always
fix it when you sell a painting or so.
