Dear friend,

I know by Nicolaus that you intend soon to exhibit my paintings with some of the painter Lora.

I should prefer an individual exhibition but dont change from your plan.

However I gave 100 N.F. to Nicolaus for the expenses and I rely on you to do for me an individual catalogue that will be more serious and with more referenssion.

I have relations with some galleries and of course I want to send them an interesting catalogue.

I send you tomorrow 12 gouaches or drawings as you want for Berlin and Copenhagen

I am yours

Dear friend,

I know by Nicolaus that you intend soon to exhibit my paintings with some of the painter Lora.

I should prefer an individual exhibition but don't change your plan.

However I gave 100 N.F. to Nicolaus for the expenses and I rely on you to do for me an individual catalogue that will be more serious and with more repercussion.

I have relations with some galleries and of course I want to send them an interesting catalogue. I am just informed that a painting from Venice is sold to a very important gallery from New York. I want to send also catalogues to the Joachim gallery from Chicago and to the Tooth gallery from London with which I have very good relations and I can, if you are interested, get you in touch. At last I want catalogues for Paris.

Nicolaus said me that you must exhibit a Spanish painters group. Is it possible to include me in this group? If it is possible you can reserve 2 from my paintings for that exhibition.

I send you to morrow 12 gouaches
or drawings as you want for Berlin and
Copenhagen.

I am yours Victoria
