DOKUMENTINDHOLD

Adriano La Regina skriver på vegne af sin far Guido, som gerne vil vide, hvornår der eventuelt kunne arrangeres en udstilling, som han stadig er interesseret i. Han vil også meget gerne have oplysninger om rummene, således at han kan danne sig et indtryk af, hvor mange værker, der er plads til. Han vil høre om mulighederne for salg; malerierne koster mellem 300 og 800 amerikanske dollars afhængigt af størrelsen. Han vil også gerne vide, hvor mange procent, Køpcke skal have ved salg.

TRANSSKRIFTION

Rome, 27, II, '60.

Dear Addi,
my father and I received your card; excuse me if I didn't answer sooner. My father would still be interested to exhibit in your gallery. He would like to know the eventual approximate date in which it could happen, and the dimensions of the walls destined to the exposition of paintings - so that he could know about dimensions and number of works-. He'll be glad if you could let us him know the possibilities of selling, there in Copenhagen. Several painters told us that Copenhagen is a centre in which Italian art is rather well known. The prices of the paintings go from \$ 300 to \$ 800 — U.S. dollars-, depending on the dimensions of the works.

Moreover he would like to know the percentage that the gallery keeps on the price of paintings.

Best regards from all my family.

Sincerely yours,

Adriano
