DOKUMENTINDHOLD

Reeder har fået det brev, som Køpcke har sendt til Krishna Reddy om, at billederne ville blive sendt med det samme. Reeder havde ellers skrevet, at billederne skulle sendes til rue de l'université-adressen, men brevene må have krydset hinanden. Nu har han fået brev med ønsker om en god jul, han ønsker Køpcke det samme. Men han pointerer, at han endnu ikke har fået billederne, at han er meget bekymret for dem, samt at han må have dem inden jul.

22 rue de l'université.

Dear Köpcke:

I got your letter sent to Krishna Reddy in Vanves-Seine saying the pictures were being sent right away. I had written you a note telling you to send them to 22 rue de l'université which must have crossed your letter - Yesterday I received a notice from you and your wishes to us for a Merry Christmas and a happy new year - Thank you and the same to you - but I still haven't got the paintings? Please, I beg you, send them as soon as possible - Im very anxious about them and must get them before christmas. Thank you
