DOKUMENTINDHOLD

Reeder beklager, at han ikke har hørt fra Nicolaus længe. Han har heller ikke hørt fra Køpcke, andet end at billederne kom for sent til at blive fotograferet. Han har også fået invitationskort men ikke andet (pressemateriale osv.). Han fortæller, at han rejser sammen med Flora til Portugal om nogle dage og beder Nicolaus om at sende gouacherne, eftersom han selv skal sende dem videre straks efter hjemkomsten. Hr. eller fru Gibaux vil tage sig af dem. Han takker og sender varme hilsener til Nicolaus og hans kone.

22 rue de l'université

LIT. 09-39.

Dear Nicolaus:

I have not heard from you in a long time?
nor have I heard from Køpcke, except to say
the pictures came too late for a photograph. I did
receive announcement cards too but nothing
more (Publicity, etc.) Flora¹ and I are leaving
for Portugal on Tues. Oct. 20th, we will be gone
for two or three weeks. Please have the gouache
sent back to this address as soon as possible as
I have to send some of them away again as soon
as I return. M. or Madam Gibaux, the gerante², will
take care of them. Thanks very much. Warm
regards to you and your wife - Hope to see
you when we get back.

As ever
