DOKUMENTINDHOLD

Van den Berg har hørt fra venner, heriblandt Cremer og Schoonhoven, at de har udstillet hos Køpcke. Han tager kontakt, fordi han håber at kunne sende eksempler på sine værker til Køpcke. Han oplyser, at han er 21 år, og at han hører til samme skole som Appel, Van Bohemen og Peeters. Han har allerede haft flere udstillinger i Holland; værker af ham findes i forskellige lande.
